MANHATTAN OPTIMIST FOUNDATION

OPTIMIST PARK IMPROVEMENT PROJECT

Charitable Donation Form

Optimist Park is owned by the Manhattan Optimist Foundation. The Manhattan Optimist Foundation is a 501(c)(3) charitable organization that supports youth activities in Manhattan Kansas.

A majority of Optimist Park is situated along Wildcat Creek which, when it floods, floods the softball fields and often reaches the restroom/storage building and maintenance garage.

Several years ago a project was started to make major improvements to Optimist Park. The development of new softball and t-ball fields has been completed [Phases 1 and 2].

Underway now is Phase 3, the development of a new facility to house new Restrooms, a permanent Tree Lot Sales Area, and a replacement for the unsightly Storage Trailer.

Your generous donation will enable The Manhattan Optimist Foundation to continue to provide needed facilities for our Manhattan youth. Each gift, large and small, is important to ensure the continued success of the Manhattan Optimist Foundation and its support of youth activities.
