Bylaw #9: Discipline

1. The Executive Board shall deal with the business of the Association as a whole.
2. It shall be known to all concerned parties (parents, coaches, players, etc.) that the Executive Board will perform this function.
3. Only written grievances (see Appendix J) submitted to the Executive Board will be acted upon.
4. The Executive Board may review and suspend, or impose other punishment for each player or coach sent from the field of play during any game.
5. The Executive Board may summon before it any coach, player, or other party in order to inquire into any offense.
6. The Executive Board shall have the authority to remove any coach or player from the Association given sufficient grounds.
7. Any violation of the Coaches / Managers Code of Ethics (Appendix B) shall be grounds for Association disciplinary action.

Bylaw #10: Problem Resolution

The Association recognizes that sports bring to the surface many concerns, anxieties and feelings for parents and their children. Often problems are the result of a misunderstanding or failure to identify expectations. We expect that coaches, players, and parents can be reasonable and considerate in approaching problems and work with the understanding that no one intends any ill will.

To facilitate the resolution of these concerns, we have established the following procedures:

- ◆ **Emergencies:** Actions that are inappropriate, or could cause bodily injury or unsafe conditions that could result in injury to a player must be brought to the coach's attention immediately. This can be done by the Coach, Team Parent or parents. An incident report must be submitted to the Association Board of Directors.
- ◆ **Game Day/Tournament Issues:** Parents are asked to wait 24 hours after the completion of a tournament to approach any coach with concerns about a particular tournament and/or game. This policy allows all parties time to reflect on the games, and is intended to protect all involved from hurtful words spoken in moments of high emotion.
- ◆ **All Other Issues:** All grievances will be documented (see Appendix J) and those involved will be asked to sign documentation.

◆ **Steps to be Followed**

- **Communicate with Coaching Staff:** Players and parents are encouraged to talk directly to the coach and attempt to resolve the problem themselves. Such conversations should not occur in the presence of other players or parents.
- **Appeal to the Association Board:** In the event that the issue still is unresolved, it is to be turned over to the Association Board of Directors. Parents **MUST** provide a detailed written document outlining their concerns before this step occurs. It may be determined that a member of the Association Board of Directors should meet with the player, the coach, or both to resolve the issue. Decisions are final. If a decision requires the disciplining of a parent/player or coach, this information will not be released by the Association Board due to confidentiality issues.

Action Timelines: The Association is run by volunteers. All meetings of Board members must occur outside of work hours. Therefore, any step requiring a meeting of the Association Board of Directors will occur within 72 hours of initiation of a written grievance by the parent/player or coach.

Bylaw #11: Player Transfers

1. As discussed in Bylaw 20 below, Association team seasons extend from the middle of September when rosters are to be substantially finalized until the end of the following summer season that is typically in the middle of July. Unless the head coaches of both of the teams involved agree that a transfer is in best interest of all involved, or unless the team disbands, players appearing on these September rosters, and any players added after that date, may not transfer to any other team in the association until after the end of the summer season. This applies both to an immediate transfer as well as to situations in which a player decides not to play for one team and then at a later time wishes to play for another Association team.
2. Player agreements to play for a given team are effectively one season in length [mid-September until Mid-July]. At the end of the summer season, players are free agents and may choose to renew their agreement with their old team or try out for a new team.
3. However, even during this period when players may be attempting to move from one team to another, team coaches or other responsible team officials are not free to recruit actively players from other teams. The Association believes that such activity designed to attract players away from another team, regardless of when it occurs, is not acceptable and would function to undermine harmony within the association.
4. The initiative for transferring at the completion of the summer season must be with the player involved. If the player attends a tryout with a different team, the player may then be treated as would any other player involved in the tryout.
5. However, any coach and any team that are involved in the active recruitment of players currently rostered to another team or having been on another team's roster before the Mid-July season ending date will be expelled from the association. There are no exceptions to this rule.

6. Teams are responsible for making the terms of their agreement to be listed on the September roster clear to all players. That is, except as noted above, they may not transfer to another Association for the duration of the September – July season.

Bylaw #12: Protests

All protests and appeals concerning behavior of Association members lodged by Member Teams shall be referred to the Executive Board in order to obtain the support of the Association.

Bylaw #13: Sponsorship and Fundraising

All sponsorship and fundraising monies paid to the Association will be governed and in accordance with the Association Charge Policy (Appendix E).

Bylaw #14: Insurance

1. The Association shall ensure that all players and coaches are insured under a standard team sport insurance policy.
2. No team shall be permitted to participate in any activity under the jurisdiction of the Association if insurance fees have not been paid to the Association.

Bylaw #15: Team Participation

Only teams properly approved by the Association's Executive Board and in good standing with the Association shall be permitted to participate in any activity under the jurisdiction of the Association.

Bylaw #16: Start-up Assistance Policy

The Association is able to provide special assistance to new teams in their first year of operation. Specifically, the yearly Association fee will be waived. All such funding is contingent upon the availability of Association resources and at the discretion of the Board.

Bylaw #17: Level of Competition

1. The Association and the Manhattan Breakfast Optimist Club recognize the need to balance the goals of providing both a high level of fast pitch softball and an opportunity for participation to as many serious athletes and families as is possible.
2. Fastpitch Associations that sanction the tournaments in which our teams compete classify teams into three levels of competition – A, B and C.
3. It is the goal of this Association that all of its teams compete at the B-level or higher.
4. However, the Association recognizes that serious athletes, families, and teams on occasion will enter our program from recreational leagues that have not prepared them for competing at the B or A level.
5. As a general rule, in the younger [U8, U10, U12] age groups, the Association will support teams competing at the C level for a maximum of two seasons. It is the Association's belief, based upon the experience of past teams, that, given two seasons, serious athletes, families, and teams can prepare themselves to compete at the A or B level.
6. The Association will not support C-level teams in the 14U, 16U and 18U age groups.

Bylaw #18: Tournament Participation

1. Association teams are expected to participate in summer tournaments as follows:
 - ◆ U8 and U10 teams are to participate in a minimum of four tournaments per season.
 - ◆ U12 and U14 teams are to participate in a minimum of seven tournaments per season.
 - ◆ Depending upon when the high school spring sports season ends, U16 and U18 teams are to participate in a minimum of six tournaments per season.
2. Association teams are expected to participate in tournaments held in Manhattan as follows. Assuming that two events are held before June 1, and one is held during the month of June:
 - ◆ U10, U12 and U14 are to participate in a minimum of two Manhattan tournaments.
 - ◆ All other age groups are to participate in the June Manhattan tournament.
3. Association teams are expected to participate in at least one state-level tournament.

Bylaw #19: Practice Expectations

The Association has very general expectations regarding organized practice as follows.

- ◆ During the summer season, Association teams are expected to conduct a minimum of two practices per week.
- ◆ During the summer season, Association teams should not fail to practice for an extended period of time.

- ◆ During the off-season, Association teams are encouraged to conduct a limited practice schedule. Optimist Park fields are available during the fall months of September and October, and usually reopen in the spring by March 1.
- ◆ Depending upon the Association's financial situation, a modest subsidy will be available for teams that purchase time in an indoor facility during the winter months.

Bylaw #20: Association Age Group Composition

1. It is the responsibility of the Board to determine the mix of teams, and team age groups, which is in the best interest of the goals of the Association.
2. Pursuant to the Association's goal of promoting a high level of competition:
 - ◆ New or substantially new teams at the older age levels [16, 18] will only be included in the Association under unusual circumstances.
 - ◆ We would generally expect that there would be more teams per age group at the younger ages [8, 10, 12 and 14] than at the older ages.
3. The initial mix of teams will be publicly announced by the Association usually by the end of July. The final group of teams to be sanctioned for the following season will be announced following tryouts and after rosters are submitted in the middle of September [see bylaw 20 below for elaboration].

Bylaw #21: Application for Continuing Association Membership

1. All teams are required to apply for continuation in the organization each year.
2. Each season, by July 1, coaches will receive a calendar that is to govern the formation of Association teams for the following season. Several dates/deadlines will be specified including:
 - ◆ **Application for continuing membership:** Submission of the application form contained in Appendix G. This date will normally be approximately one week after the end of a given team's season.
 - ◆ **Initial conditional announcement of teams to be sanctioned:** Normally by the end of July, the Board will decide which teams it will sanction for the following season, pending roster submission.
 - ◆ **Roster Submission:** By around the middle of September, you will be required to submit a roster of at least nine players who have committed to your team for the following season.
 - ◆ **Final announcement of sanctioned teams:** Mid-September
3. Please note the comments below [Bylaw 23] concerning the timing for holding tryouts.

Bylaw #22: Tryout Policy

1. Tryouts should be held for roster vacancies on all teams and should be open to all interested athletes.
2. Given the competition that exists for players, in order to be included in the Association for the following season, all teams should submit a roster of at least nine committed players by mid-September [exact date to be determined each season].
3. Teams sometimes wish to hold tryouts shortly after the end of their season. In fact, on occasion tryouts occur prior to the date on which the Association announces the initial mix of teams it will sanction. Holding tryouts before the Board's initial decision on teams to be sanctioned strikes the Board as an unwise approach, but it is not prohibited. However, please understand that the Board's initial decision as to which teams to sanction will not be impacted one way or the other by the fact that a given team has held tryouts prior to the announcement date.

Bylaw #23: Continuing Coaches' Education

1. Critical to the Association's goal of promoting a high level of softball competition is that our coaches be well versed and up-to-date in terms of teaching both basic and advanced softball skills. The families who entrust their daughters to us assume that our coaches understand the game and also know how to teach it.
2. The Association has a variety of coaching materials and there are many internet sites that contain very useful materials.
3. An especially recommended internet site is Cindy Bristow's *Softball Excellence* at <http://www.softballexcellence.com/>. Coaches are very strongly encouraged to complete the "Coaching Certification Courses" which have seven levels.
4. A coach's clinic conducted by the National Fastpitch Coaches Association is held in Kansas City each year in late January or early February [<https://nfcaevents.org/coaches-clinics/index.php>]. The Association strongly recommends that each team send a minimum of one coach to this clinic each year. The Association will subsidize each coach and assistant coach for this clinic one time.
5. Coaches are strongly encouraged to draw upon the expertise of the senior coaches in the Association.

Bylaw #24: Youth Protection Guidelines

Manhattan Optimist Fastpitch Association (MOFA) cares about the safety and welfare of all players, coaches, managers, and other team volunteers. Consequently, MOFA has developed Youth Protection Guidelines designed to help ensure the safety and well-being of all MOFA members, particularly our youth. The guidelines are aimed at eliminating any opportunities for abuse within our sports program. It is the responsibility of all MOFA participants to ensure that these policies are followed.

It must be understood that our volunteers are not trained to deal with situations of abuse, and should never attempt to do so, but they must take responsibility for promptly reporting any concerns to MOFA.

All MOFA Head Coaches, Assistant Coaches, Team Parents, and Business Managers, and other team volunteers, who are working directly with children under the age of eighteen, are required to participate in, and adhere to, the Youth Protection Guidelines that includes:

- ◆ Reading the MOFA Youth Protection Policy (Appendix K).
- ◆ Signing the Code of Conduct for Coaches Form (Appendix B).

Bylaw #25: Support for Optimist Fundraisers

Member teams are expected to support actively two of the critical fundraisers conducted by the Manhattan Breakfast Optimist Club – the Club’s Christmas Tree Lot and the Annual Spaghetti Dinner. Proceeds from these fundraisers directly fund the operation of Optimist Park and the Manhattan Optimist Fastpitch Association. In order to facilitate this involvement, we request that our coaches communicate electronically information that they receive from the Board about these fundraisers to their team families.

Bylaw #26: Optimist Park Workdays

Member teams are expected to take part in workdays that are held at Optimist Park. These involve a variety of maintenance and special projects that are necessary for the ongoing operation of our practice facility. Typically, one workday will be held during the fall and another during the spring.

2. I will treat each player as an individual, remembering the large range of emotional and physical development for the same age group.
3. I will provide a sports environment for my team that is free of drugs, tobacco, alcohol, and profane language or vulgar gestures and I will refrain from their use at all youth sports events.

11. I will remember that I am a youth sports coach, and that the game is for children and not adults.
12. I will respect the facilities that my team uses for games or practice and do whatever I can to help maintain those facilities.
13. I will never stop learning about the game and about ways in which to teach it to my players.

If a Head Coach, Assistant Coach, Team Parent, or Business Manager is alleged to have violated any point of the Ethics Code, a grievance may be made against them. Anyone may submit a grievance. A form is available from any Association Board member. The grievance must be submitted in complete written form to an Association Board Member. The Association Board member will immediately notify the remaining Association Board members and a meeting will be scheduled regarding the issue. The Association Board shall review the grievance and decide on the final discipline, if any. This decision will be final and not subject to further appeal.

If a submitted grievance is found to be frivolous or not pertaining to the Code of Ethics, the Association Board can dismiss it and no record will be made.

If a submitted grievance is found to be a violation of the Code (other than point #4) the individual may receive a verbal warning and a documented record of the grievance shall be placed in the individual's file. If this is the second upheld grievance against this individual, they will be suspended from participation in MOFA activities for a time to be decided by the Association Board. If this is the third upheld grievance against this individual, they will be immediately suspended from participation in MOFA activities for the remainder of the season. They may also be barred from further participation in future MOFA activities if so decided by the Association Board. If an upheld grievance is found to be in violation of Ethical Code #4, the individual will be immediately suspended from participation in MOFA activities for the remainder of the season. The Association Board will decide on the eligibility of the individual to participate in future MOFA activities. These guidelines are for the benefit of our members. MOFA cannot list every ethical or moral item that would not be considered portraying a positive role model for youth by maintaining an attitude of respect, loyalty, patience, integrity, courtesy, tact and maturity. In the event that the Association Board feels that an individual(s) is acting in a way that is detrimental to the Association or its members, the individual(s) may be reprimanded, suspended or barred from further participation in future MOFA activities.

I have read and understand this Code of Ethics. I understand that it is my responsibility as a MOFA volunteer to adhere to this code, and I further understand that I may be subjected to a grievance should I deviate from this Code.

Appendix H: Optimist Ball Park Scheduling Information

The facilities at Optimist Park include four practice fields, three batting cages and two practice pitching lanes. The fields are Brummett, Bidwell, Jessica and South. All scheduling of practice fields, batting cages, and the pitching lanes is done through Bruce Bidwell.

- ◆ 3 separate schedules are maintained; 1 for the practice fields, 1 for the batting cages, and 1 for the pitching lanes.
- ◆ Schedules are available on line at <http://www.manhattanoptimist.com/>
- ◆ The infields of all the practice fields are suitable for infield practice for all teams (up to 60-ft. base paths). Bidwell Field and South Field have a limited outfield.
- ◆ All practice fields and the batting cages are normally scheduled in 1 1/2-hour increments at 5:30 & 7:00 (You can start earlier than 5:30 if you desire).
- ◆ Weekend practice times are in two hour increments as follows:

Summer

9:00 am – 11:00 am
11:00 am – 1:00 pm
1:00 pm – 3:00 pm
3:00 pm – 5:00 pm
5:00 pm – 7:00 pm

Spring & Fall

10:00 am - 12:00 pm
12:00 pm - 2:00 pm
2:00 pm - 4:00 pm
4:00 pm - 6:00 pm

- ◆ Younger teams (8U, 10U, 12U, & 14U) are given preference for the 5:30 - 7:00 pm practice times.
- ◆ Practice days and times should be consistent.
 - i.e. every Mo & We at 5:30 or every Tu & Th at 7:00 etc.
- ◆ Older teams (16U & 18U) are given preference on Brummett and Jessica fields.
- ◆ If possible, each team should have a minimum of one practice a week on Brummett, Jessica or Bidwell field.
- ◆ Practice games are given priority over team practices.
- ◆ Manhattan Optimist Fastpitch Association softball teams have 1st priority on practice fields and batting cages with the following exceptions:
 - KSU Girls Softball Club given priority on Brummett field during Spring and Fall season. Days & times will vary.

- Optimist supported T-Ball will be scheduled on South Field in June and July. Days and times will vary.
- ◆ Other Optimist supported teams are given scheduling preferences over non-Optimist supported teams unless prior approval given.
- ◆ Most coaches prefer not to practice the day before a tournament and the day after (Friday & Monday). There is not enough 5:30 – 8:30 practice time on Tuesdays, Wednesdays, and Thursdays to allow all teams to do this. Some teams will have to practice on Friday and/or Monday. Preferences on the Tuesday – Thursday times will be based on prior year’s practice schedules and length of time coach/team has been a member of the Manhattan Optimist Fastpitch Association.
- ◆ Use of Optimist Park will not be allowed for the current year until insurance, Association, and ASA/USSSA fees are paid.
- ◆ For those teams with a negative balance to the Association, use of Optimist Park will not be allowed for the current year if significant reduction of debt has not been accomplished or a repayment plan has not been agreed to.
- ◆ Practice at Optimist Park will not be allowed if loans have not been repaid.
- ◆ Softball teams that are not a member of the Association will not be allowed to use Optimist Park without approval from the manager(s) of Optimist Park.
- ◆ Exceptions handled if possible.
- ◆ You may check scheduling of Optimist Park by visiting the Manhattan Breakfast Optimist Club’s website as follows:
 - www.manhattanoptimist.com
 - Select “Events Calendar”
 - Select “Optimist Park Calendar”
 - Select the month(s)
- ◆ **Schedule Coding is as follows:**
 - B/C: Batting Cage (#1 behind the dark brown shed, #2 & #3 by Jessica Field)
 - B/F: Brummett Field (the big field)
 - BB/F: Bruce Bidwell Field (by metal beige & green building)
 - J/F: Jessica Field
 - S/F: South Field (south of Park entrance)
 - Pitching Areas #1 & #2 (can accommodate 35’, 40’ and 43’ pitching distances): Located behind the dark brown shed

Appendix I: Optimist Ball Park Usage Guidelines

- ◆ **Post-Practice:** Please be considerate of Bruce Bidwell's time. He cannot leave the park until all teams, coaches and parents have left.
- ◆ **Parking Lot Rules:** Please remind your players and parents not to speed in the parking lot. They should be especially attentive when summer T-Ball games are being played. Also, be sure to park around the outside of the lot, not in the middle.
- ◆ **Fences and Backstops:** Do not climb the fences. Do not hit or throw regular softballs into the fences. Whiffle balls, rag balls, tennis balls, etc. are OK.
- ◆ **Garage Usage:** Please be tidy when you return pitching machines, bases or tools to any of the garages. The maroon shed contains two refrigerators. Your players should not be in these refrigerators. If you wish to store beverages in them, please take care of it yourself.
- ◆ **First Aid Station:** A first aid cabinet is available in the maroon shed. You should make sure you know its location. In addition, ice is in the freezer of the refrigerator on the right as you enter in case of emergencies. Plastic bags are also available. If you use ice, be sure to let us know so that we can restock.
- ◆ **Two-Story Garage:** No softball equipment is stored in this garage.
- ◆ **Trash and Recycling:** Please remind your players to use the garbage cans [the white 55 gallon drums] for trash and the recycling containers [30 gallon trash containers] for aluminum, glass and plastic materials.
- ◆ **Pitching Machine Usage:** We have three pitching machines. These should never be removed from the park. Players are not permitted to use the pitching machines unless they are supervised by one of our coaches. Absolutely no exceptions as there is a liability issue involved. Batting helmets are to be worn by both the batter and the dropper. When you separate the short cord on the machine from the extension cord, grasp both cords and pull them apart. Do not simply tug at the extension cord, as it will eventually dislodge the short cord.
- ◆ **The Jessica Madsen Pitching Area:** Please tell your players that they are not to enter the pitching area or Optimist Field by climbing down the rocks. They are dangerous and unstable in places. Injuries may result and the rocks will become even less stable.
- ◆ **Maintain the Outfield Grass:** Be careful when you drill in the outfields. Setting up a batting practice or any type of swing drill in the outfields is especially hard on the grass.

Appendix K: Youth Protection Policy

The parents, families, relatives and members of the Manhattan Optimist Fastpitch Association trust our program to provide a safe environment for all participants. The MOFA Youth Protection Policy does not tolerate abuse in any form, whether it is emotional, physical, or sexual.

Adults who assume volunteer roles within MOFA have the opportunity for a rewarding experience. The opportunity to work with youth is a privileged position of trust that should be held only by those who are willing to demonstrate behavior that fulfills this trust.

Youth Protection Guidelines: The following guidelines and expectations have been established for persons serving in volunteer roles with MOFA:

1. Conduct yourself in a courteous, respectful manner demonstrating behavior appropriate for a positive role model for youth.
2. Demonstrate exemplary behavior at all times when dealing with parents, coaches, assistant coaches, umpires and other personnel.
3. Encourage good sportsmanship by the players during both practices and games.
4. Treat all players with respect and dignity. Promote respect for all the participants including the opposition and game officials.
5. Put the welfare and well-being of the players first, before winning. Kids first, winning second.
6. Create a positive environment for training and competition. Make sports enjoyable and promote fair play.
7. Encourage and support players. Provide constructive feedback. Take time to offer praise whenever the youth does anything praiseworthy. Focus on the positive.
8. Where possible, avoid one-on-one situations with individual players. Meetings, discussions and drills should be conducted in view of other adults and/or youths.
9. Obtain parental consent to transport young players to and from practices and games.
10. While physical contact between an adult and a youth is not absolutely prohibited, as in high-fives when congratulating a youth for an accomplishment, adults must be very alert to the appropriateness of any physical contact. It is possible that it may be experienced by the youth or seen by others as inappropriate. For example, as in most social situations, you should avoid bear hugs and limit yourself to "shoulder-to-shoulder" hugs, maintaining space between your bodies.
11. Respect privacy. All youth are entitled to personal privacy from adults, and when necessary or appropriate, from other youth as well. A health and safety concern is the only exception. Adults must protect their own privacy in similar situations.
12. Discipline used in youth programs should be constructive and reflect high values. Profanity and corporal punishment are never permitted.
13. Physical hazing, initiations, ridicule, inappropriate teasing or aggression are prohibited and may not be included as part of any youth activity.

14. Coaches, managers and other team volunteers must ensure that MOFA's policies are followed.
15. Young players must not be left alone without guidance or supervision. Ensure that a child is not left alone at any time (such as waiting for his/her parents to pick them up after a practice or game).
16. Keep medical and emergency contact details for the players with you at all practices and games in the event of an emergency.
17. Comply with anti-discrimination laws. MOFA offers its programs to all eligible persons regardless of race, color, national origin, religion, gender, age, disability, marital or veteran status, or any other legally protected status.
18. The use of illegal drugs, alcohol, and tobacco products is prohibited at all MOFA practices and games.
19. Team managers or coaches should communicate all relevant team information to their teams. Details should include number, length and times of practices, games dates and other related team information.
20. In the event of an injury, immediately obtain or provide the appropriate medical assistance.
21. Respect, adhere to, and enforce the rules, policies, and guidelines established by MOFA including all state laws related to child abuse and substance abuse.

Child Abuse and Neglect

Youth protection policies and procedures address issues of child abuse. Child abuse is deliberate emotional, physical or sexual injury of a child by an adult or older child. Neglect is harm caused by withholding life's necessities: food, clothing, shelter, medical care, and education.

Signs of Abuse

Any abrupt change in behavior that is maintained for a week or longer is a sign that the child is experiencing stress that could stem from a variety of causes, including family disruption, illness, death of a pet, a move to a new neighborhood, or child abuse. Some of the possible specific signs for each kind of abuse are listed below:

Possible signs of Physical Abuse: Suspicious injuries that are different from those normally associated with childhood "wear and tear" such as burns, bruises, lacerations, abrasions and fractures.

Possible signs of Emotional Abuse: Emotional abuse of others, extreme sensitivity to criticism, self-destructive behavior, appears to be a danger to others, continuous unwillingness or inability to form trusting relationships, chronic rebellion against authority, constant socially disruptive behavior, lagging physical development, and in severe cases habit disorders such as thumb sucking or rocking.

Possible signs of Sexual Abuse: Difficulty in walking; torn, stained, or bloody clothing; pain or itching in the genital area; bruises or bleeding in the body's private areas; sexually transmitted diseases; an age-inappropriate understanding of sex; reluctance to be left alone with a particular person; persistent and inappropriate sex play with peers; wearing excessive amounts of clothing; fear of touch; and abuse of animals.

Possible signs of Neglect: Child consistently shows up inappropriately or poorly dressed, shows obvious need of medical care, lacks personal hygiene, repeatedly borrows money for basic necessities, and is consistently overly hungry. If asked, the child will likely make excuses for his or her parent(s).

Your Responsibility

1. Show support and concern for any youth who might be affected
2. Do not jump to any conclusions. Act with all due diligence.
3. Ask the youth in indirect ways if "everything is all right." Be available for the child.
4. Consider stating your observations to the child's parents. Do not directly or indirectly accuse a suspected adult of child abuse.
5. Speak confidentially with other adult leaders who have contact with the child.
6. Handle the matter as discreetly as possible.
7. If necessary, remove the child from danger and obtain medical treatment as needed.
8. Report any team related concerns to the MOFA President. The law requires only that you have a reasonable suspicion that a child is being abused.

Reporting Procedures

MOFA views the reporting of suspected child abuse as both a personal and ethical obligation. All MOFA members should be alert to the physical and emotional state of all program participants.

1. If child abuse is suspected, report your reasonable suspicions to the MOFA President who will immediately investigate the allegations. During the investigation period, the accused individual will be suspended from all activities involving the supervision of children. The suspension will continue until the person is cleared or allegations are proven. If the allegations are proven correct, the individual will be removed from all MOFA activities.
2. When any MOFA member suspects child abuse or neglect occurring outside of the MOFA program, they are urged to report the situation to appropriate local authorities at the Kansas Department of Human Services (1-800-922-5330).
3. All information regarding alleged child abuse will be maintained under strict confidentiality. Information will be communicated only on a "need-to-know" basis.

I have read and understand this Youth Protection Policy. I understand that it is my responsibility as a MOFA volunteer to adhere to this policy, and I further understand that I may be subjected to a grievance should I deviate from this policy.
